## 2015 Pageant, Challenge & Reality Series

### MISS BALI TROPIX PAGEANT

The annual international beauty pageant is open to women 18 to 35 who represent the brand and the beauty of Bali. Becoming a Miss Bali Tropix finalist means more than just being beautiful. **"It's what's inside."** The girls are judged on how well they represent the brand, community involvement, inner beauty, poise and much more. 25 girls post, tag and interact with their fans every day through [Facebook](#), [Instagram](#), [twitter](#) and more. The contest includes online voting, "real life" events & challenges throughout the island.

### REALITY | CHALLENGE | ADVENTURE

The reality series is filmed on location, in Bali. Season I, titled **"Looking for Miss Bali Tropix,"** opens with contestant submissions and then the casting call which will take place this year at FashionTV Hotel. The first season includes 8 mini episodes following 25 contestants throughout the island. The girls are challenged in print, runway and as spokesmodels. Of course, we test their integrity, strengths, weaknesses and other challenges that should be entertaining. 10 finalists will live at FashionTV hotel as roommates for the final 30 days leading up to the pageant. During their stay they will take part in a live fashion show, photo shoot, shark diving, charity fund raiser dinner and more. Season II, titled **"After the Crown"** follows the finalists' lives on the island.

**MARKETING:** The pageant and reality series act as a built in marketing campaign, reaching tens of thousands of fans each week. Last year **Miss Bali Tropix reached 1 million views.** Challenges and events provide product placement opportunities for advertisers. We also partner with media companies who offer added branding opportunities through fashion spreads, interviews and ad placement. Sponsors become active in the series and in the contestant's lives, helping create credible brand awareness with the fans. **See video:** <http://bitly.com/MBTxVideo>
